

Dear Mr Tokman,

I trust this finds you well.

I believe we briefly met in 2008 – at the time when Antyapi was taking over the Capital Hill project from the previous contractor.

Since then, your company has done a tremendous job. Coming from our recent site visit, we are very happy with the execution of the interior fit-out. You have all the reason to be proud of the results so far.

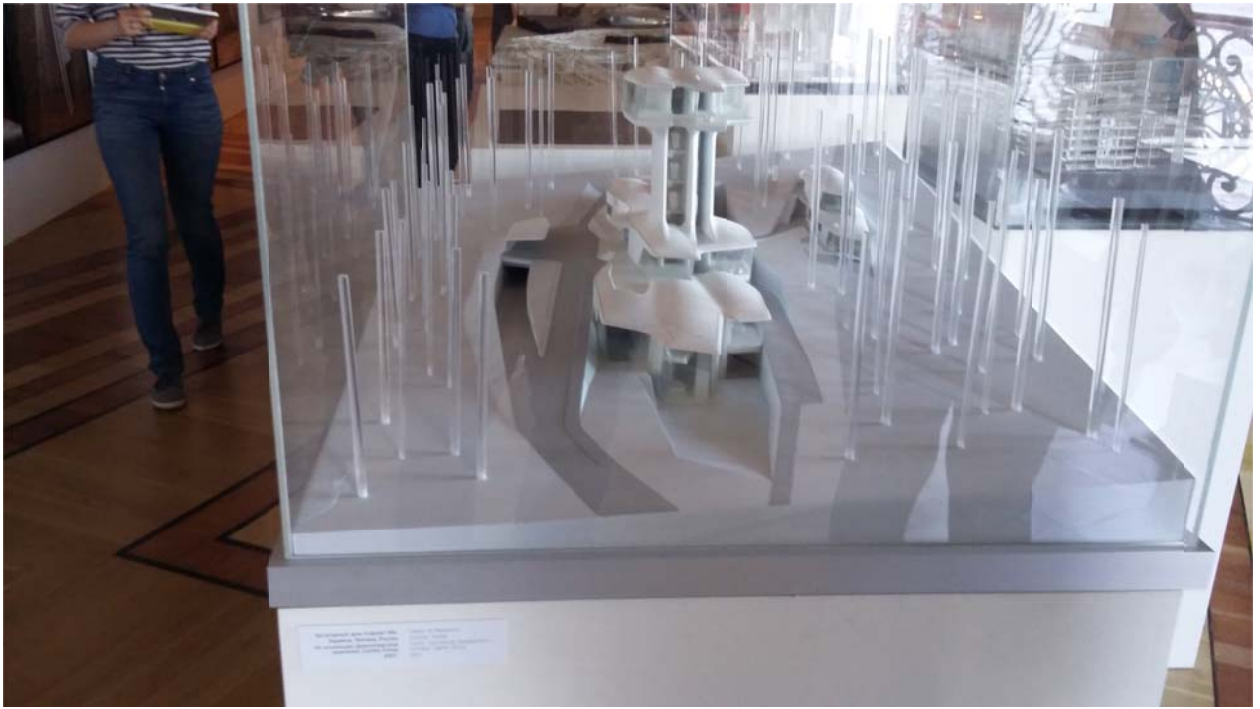

Please allow me to invite you to Zaha Hadid's retrospective exhibition in St. Petersburg. Please see below our invitation to the opening on the 27<sup>th</sup> of June with Zaha Hadid. The villa, one of Zaha's only two projects in Russia, will also be featured heavily.
