

REFERENCE LETTER

Storm Properties has had an opportunity to work with Ant Yapi Sanayi Ve Ticaret Anonim Sirketi (Ant Yapi) for the past four years. During this time, we have successfully completed or are currently working on the following projects:

№	Project name	Address	Construction period	Type of work
1	Residential Complex "Pelegrina"	Moscow Region, Glukhovo	2013-1014	Consultation Services
2	Business Park "K2"	Moscow, Kaluzhskoe Highway	2013-2015	General Contractor
3	Residential Complex "L69"	Moscow, Leningradskoe Highway, 69	2015	Consultation Services
4	Residential Complex "Fili Park"	Moscow, Bagrationovsky Passage, 1A	2016-2017	General Contractor

We have consistently found Ant Yapi's management of each project to be among the "best of class", especially in regard to quality control, keeping in line with the work performance schedule, cost management and overall project administration. Their services for the drafting of a provisional budget of construction and preparation of the data for direct costs, selection of potential suppliers and materials for the Residential Complex "L69" were invaluable and greatly appreciated.

Ant Yapi's staff was able to provide a safe, secure, professional build-out within the given timeframes, along with maintaining an excellent relationship with various building departments involved. All on-site coordination was handled very professionally and all of the necessary paperwork and billings were responded to promptly.

We welcome the opportunity to continue working with Ant Yapi in the future and highly recommend them for any construction projects that you may have.

Please do not hesitate to contact us if we may be of any assistance in your review process of the qualifications of Ant Yapi.

Sincerely,  
Storm Properties
